Tribute to Our Nation's Injured Service Members Statewide Fundraising Banquet

May 15, 2008, 7 pm, Taylors First Baptist Church in Taylors, SC

Purpose of event:

The Wounded Warrior Project (WWP) was founded on the principle that veterans are our nation's greatest citizens. The WWP seeks to assist those men and women of our armed forces who have been severely injured during the conflicts in Iraq, Afghanistan, and other locations around the world. Many of the injuries are traumatic amputations, gunshot wounds, burns and blast injuries that will retire these brave warriors from military service. Your generous, tax deductible donation to the Wounded Warrior Project enables us to help the thousands of wounded warriors returning home from the current conflicts and to provide assistance to their families.
